Dear Community Member:

Caribou Trail Junior Rodeo Association is starting its 2010 Junior Rodeo Season. The kids, ranging in age from 3 – 18, will compete over 7 months at 7 separate rodeos to earn points toward being recognized as the CTJRA All-Around Cowboy or Cowgirl for their age group. This distinction earns them a saddle to commemorate their successful year. In years past we have also been able to recognize a Reserve All Around in each age group for the boys and girls, along with buckles and spur straps to the first and second place winners in each event. We want to continue awarding the kids at this level for all their hard work and dedication to the sport of rodeo. We have conducted fund raising throughout the year to raise funds to recognize more kids at our year end awards banquet.

As part of this goal, the Board of Directors of CTJRA, on behalf of the kids, is asking for your consideration for a tax-deductible donation to the Year-end awards. Donations can be sent to **CTJRA, PO Box 1919, Omak, WA 98841**. We appreciate any amount you might be able to donate. Suggestions are listed in the attached sponsor form. If you have other ways you can help, feel free to call one of the Board Members.

We appreciate your consideration of this request. Donators will receive acknowledgement in the Competitor News, a rodeo newspaper distributed throughout the west and mid-west, along with acknowledgment in the state finals program. Let us know if you have any further questions regarding donating to CTJRA.

Kevin Diefenbach,
CTJRA President
